

Computer Survey and Our Class Website Newsletter

<http://www.mrsjonesroom.com>

Our class website is updated frequently. The Letter & Sound of the Week, The Words of the Week and The Lifeskill of the Week are changed every weekend. The themes are posted at the beginning of every month along with links to online games and printable activities for you and your child. I have also posted alphabet activities you can do with your child to help him/her learn the letters and online stories to practice reading at home. You'll also find our favorite Sing Along Songs for the letters of the alphabet and songs about our themes. Class News is added as it happens. Please stop by and sign our class Guest Book.

Please complete the survey below and return it by Friday, Sept 7, 2007.  
Send an Email to [mrsjones@mrsjonesroom.com](mailto:mrsjones@mrsjonesroom.com) to receive our Class Newsletter.

 To be added to the Newsletter list, please send an Email to Mrs. Jones at [mrsjones@mrsjonesroom.com](mailto:mrsjones@mrsjonesroom.com). Put "Newsletter" in the Subject line. Tell me your name and your child's name, in case it isn't obvious from your Email address. LOL!

I would like to make a Class of 07-08 Favorite Links webpage. Any time you find a website that becomes a favorite or is fun and educational, please send me the address and what you or your child likes to do there. I'll compile the links on one page and will share it.
