

Parking - A Reminder

Our Trainor Street entrance at the upper level is heavily used. Please obey the signs for the safety of our Lakeview children.

In order to maintain a traffic safety program that is really effective, your cooperation and patience will be needed. Our goal is safety for your children, not convenience and time-saving for parents. You can help us promote our safety program by observing the following procedures:

- a. Space has been provided for one way car traffic in the parking lot. Only a left turn is permitted out of the parking lot.
- b. Students who exit vehicles stopped in the middle of the street or driveway are in danger of being hit by the other traffic.
- c. Third grade parents- please drop your children off at the crosswalk drop off and not on Trainor Street.
- d. Fire lines and signs need to be observed on Trainor Street so a clear path can be provided in case of emergency.
- e. Have students enter or exit vehicles by the curb side doors only.
- f. If you need to park to watch your child enter the building, you are encouraged to use the Free Street lot or Ridley Avenue.
- g. Please be aware of your speed in the school zones.

Our common goal is safety for our children. If we cooperate as a group of caring parents, we will meet our goal.
