

# Dr. Martin Luther King

(To the tune of He's Got the Whole World in his Hands)

Dr. Martin Luther King had a dream  
Dr. Martin Luther King had a dream  
Dr. Martin Luther King had a dream  
He had the whole world in his dream.

He had me and you, in his dream  
He had me and you, in his dream  
He had me and you, in his dream  
He had the whole world in his dream.
